### Who's Your Muse?

Channel the charm of Elsie de Wolfe, America's first interior designer, with a tray by Charlotte Moss that encourages us to "decorate luxuriously," among other credos. Other designs in the collection pay tribute to equally noteworthy ladies such as Jackie O.—and, of course, to a life lived passionately. "New York," shown, \$180, Scully & Scully, NYC, (800) 223-3717, [www.scullyandscully.com](http://www.scullyandscully.com).

### Throws Of Passion
